

The background is a solid gold color. On the left side, there are two thick, white, curved lines that sweep from the top left towards the center. On the right side, there are two similar thick, white, curved lines that sweep from the bottom right towards the center.

The Willows

Redefining Lush Living

The hills are beckoning you!

Change your altitude and welcome moments of tranquillity and joy.

Experience life in a place where leisure meets luxury.

'The Willows' is your cosy escape.

Hidden within the undulating greens of Upcot, we offer a refreshing range of indulgences within our private gated community.

Breathe and see nature's best.

*Be a part of the green splendour. Take a break and discover
new meaning to living in the lush.*

Elegant and comfortable.

Classic in inspiration and modern in facilities; the bungalows feature 5-key styles which range from 2300 to 2500 sq. ft. and have been built with the technical expertise of Sanken, a constructor-par excellence.

Designed to give you the best perspective.

Bungalows are set upon 40-perch blocks and surrounded by a 200-acre tea plantation which forms a mode of green-dividends for home-owners. We look into all aspects of operation so your relaxation is rest assured.

Each convenience is only a stroll away.

*Be it hikes, walks, exciting games or relaxing dips, family laughter or quiet meditation;
there is something for everyone to enjoy.*

A living masterpiece of nature.

Bordering the Peak Wilderness Sanctuary, the location provides an endless treat of natural beauty; the perfect backdrop for our many sustainability and natural longevity initiatives.
